	<p>Morning Prayer – Lead by student</p> <p>God calls us to be united and for all God’s people to be one. In all our uniqueness, we are one as created in love by God. We come to greater unity when we see and embrace our differences and all that makes us unique.</p> <p>Read A Loud - If the World Were 100 People</p>	<p>Morning Prayer – Lead by student</p> <p>If there has ever been a time when listening was required, it is now. The theme of Catholic Education Week focuses us on We are many, We are one. Listening is a wonderful starting place to engage the theme. There are many divergent voices, many opinions, many ideas. Deep listening can bring us together as one. Let us pray.</p> <p>Read A Loud - Listen: How Evelyn Glennie, A Deaf Girl, Changed Percussion</p>	<p>Morning Prayer – Lead by student</p> <p>God of love and infinite wisdom. Instill in us the courage through reflection to learn, unlearn, and relearn to seek the truth and guide us into action. Give us the ability to listen deeply to every voice, not just the loudest but those voices that are not always heard. Please provide us with empathy and foresight as servant leaders to affirm, support, and empower one another, as we embrace your wisdom to strive toward reconciliation through the power of reflection. Let us unite as one body in Christ.</p> <p>Read A Loud - Everyone Belongs</p>	<p>Morning Prayer – Lead by student</p> <p>All powerful God, You are present in the whole universe and in the smallest of Your Creatures.</p> <p>You embrace with Your tenderness all that exists.</p> <p>Pour out upon us the power of Your love, that we may protect life and beauty.</p> <p>Fill us with peace, that we may live as brothers and sisters, harming no one.</p>	<p>Morning Prayer – Lead by student</p> <p>Empowering God, you call us every day to help build a culture where, despite our differences, we are united as your beloved children—where no one is excluded. Show us how to use our words and actions to bring people together in respect, kindness and cooperation. May we see our diversity as a source of strength and beauty, and may we weave together a world of greater oneness and hope. We ask this through Jesus Christ our Lord. Amen.</p> <p>Read A Loud - The Line in the Sand</p>

Day 1 Lesson – When we see by each class.

What do you think when you hear the phrase; ‘We are Many, We are One’. – Posted

Closing Prayer - Jesus, our brother and teacher, help us to see more clearly, and to love as you love.

Open our hearts to the diversity of God’s people and enable us to stand for each other.

Amen.

Day 2 Lesson – When we listen

Friendship Soup – school community

Closing Prayer - God of mercy and compassion, help us to discern how to change the world by listening deeply to those around us, to the truth as we experience it and to you. We know you walk with us and listen to us with every breath we take. By our listening, may today’s world be attentive to what is truly important. Amen.

Day 3 Lesson – When we reflect

National Skill Trades Day – shed and picnic tables.

Closing Prayer - Lord Jesus, master teacher and saviour, guide us to lead and serve the poor, vulnerable, and one another in your image and likeness. Give us the courage and strength to reflect upon the relationships in our lives that need care and healing. Give us the strength, courage and vulnerability to reconcile and spread joy, hope and love, now and always.

For this, we ask your blessings.

O God of the poor, help us to rescue the abandoned and forgotten of this earth, so precious in Your eyes.

Bring healing to our lives, that we may protect the world and not prey on it, that we may sow beauty, not pollution and destruction.

Touch the hearts of those who look only for gain at the expense of the poor and the earth.

Teach us to discover the worth of each living thing, to be filled with awe and contemplation to recognize that we are profoundly united with every creature as we journey towards Your infinite light.

We thank you for being with us each day.

Encourage us, we pray, in our struggle for justice, love and peace. Amen.

Day 4 Lesson – When we learn

Day 5 Lesson – When we act

Academic Olympics – school community

Closing Prayer - You have made us different, Lord, and you have made us uniquely beautiful. No two of us are the same. And yet you constantly remind us that, beyond everything that could separate us, deep down, we are one, because we are **yours**. Help us to reach out to others across those differences, to discover their special giftedness and light. Help us to be builders of bridges and of unity, by our compassion and our curiosity, our openness and our kindness. May we never forget what unites us, and may our actions help to bring people together each day. Yours is the glory, Lord, now and forever.
