O’Gorman High School “Students Who Make a Difference”

Tuesday, March 26, 2024

To commemorate the International Day for the Elimination of Racial Discrimination (IDERD) which takes place annually on March 21, O’Gorman High School (OHS) celebrated Students Who Make a Difference.

OHS honoured 6 deserving "Students Who Make a Difference". These students have gone above and beyond by actively participating in our community, volunteering their time and demonstrating actions that are inclusive (anti-racist), caring (humanitarian actions) and building their school community.

Tricia Stefanic Weltz, NCDSB Director of Education and Sean Robertson, OHS Principal presented "Students Who Make a Difference" Certificates, congratulatory letters and a small gift in acknowledgement of their contributions and achievements.
