

Northeastern Catholic District School Board

SCHOOL GENERATED FUNDS

Administrative Procedure Number: APB016

POLICY STATEMENT

The Northeastern Catholic District School Board (NCDSB) is committed to providing quality Catholic education and a range of learning opportunities to all learners. The NCDSB practices responsible stewardship of resources to support the delivery of Ontario curriculum expectations. The NCDSB recognizes that additional funds may be generated at the school level to further enhance school programs, activities, educational excursions, projects, or materials to enhance the overall experiences of its learners. Any such funds shall be received, raised, or collected in accordance with Board policies and municipal, provincial, and federal laws and regulations. Furthermore, the Board will ensure that all funds are adequately protected and all practices are exercised in a transparent and appropriate manner.

DEFINITIONS

Annual Plan for School Generated Funds

This plan shows the purpose to which the net proceeds will be applied, how the funds are intended to be raised, the amounts projected to be raised, and the associated fundraising costs.

Fundraising

A systematic collection of money or materials for the purpose of supporting Board and school-based projects/activities, Church sponsored activities or charitable organizations for which the Board does not budget. Charitable fundraising initiatives are planned to raise money or collect goods for local or global needs as identified by the Board or the school and adhere to the moral teachings of the Catholic Church.

School Generated Funds

Funds that are raised and collected in the school or broader community in the name of the school. These funds are administered by the School Principal, and are raised or collected from sources other than the school board's operating and capital budgets.

Student Activity Fee

Voluntary amounts that are used to supplement a student's school experience.

6.0 Reporting

6.1 Annual Plan for School Generated Funds

6.1.1 The *Annual Plan for School Generated Funds* is intended to show the purpose to which the net proceeds will be applied, how the funds are intended to be raised, the amounts projected to be raised, and the associated fund raising costs.

6.1.2 The *Annual Plan for School Generated Funds* will be prepared at the beginning of the school year by the School Principal, after seeking out input from the school community.

6.1.3 The *Annual Plan for School Generated Funds* will include all money generated in the name of, or under the auspices of the school, regardless of its source or use and indicate the following:

- i) The purpose for which the net proceeds will be used and the anticipated total costs of the item(s) being fundraised for;
- ii) The source of revenue;
- iii) The time period during which it will be generated;
- iv) The person or group responsible for the activity;
- v) The anticipated fundraising proceeds;
- vi) The anticipated fundraising expenses;
- vii) The anticipated net proceeds.

6.1.4 A copy of the *Annual Plan for School Generated Funds*, signed by the School Principal, will be submitted to the appropriate Supervisory Officer.

6.1.5 The Supervisory Officer will review the *Annual Plan for School Generated Funds*, make recommendations for adjustments to the School Principal.

6.1.6 A copy of the approved *Annual Plan for School Generated Funds* will be kept in the school and used in conjunction with the review of the monthly and annual financial reports.

6.1.7 Communicate the plan with the school community.

6.2 The School Principal will engage in monthly review of the activities and ensure compliance to the collection and disbursement of school generated funds in accordance with the *Annual Plan for School Generated Funds*.

6.3 The monthly bank reconciliation statements will be reviewed and signed by the School Principal. Any questionable items should be investigated.

6.4 The Principal will complete a year-end report detailing progress made towards the *Annual Plan for School Generated Funds* and consider the plans for the next school year.

6.5 All related reports, along with bank statements, will be available to the board.

7.0 Annual Financial Reports

7.1 An Annual Financial Report will be prepared by the Finance Department for each school for the period of August 1 to July 31. The reports will summarize receipts and disbursements in accordance with Ministry guidelines.

7.2 The Annual Financial Report will include the following:

- i) SchoolCash.Net: Year end financial reports
- ii) July 31 Monthly Bank Reconciliation
- iii) Copy of the Bank Statement showing July 31 balances
- iv) Report #5 – Overview Umbrella Category Summary
- v) Investment reports/statements

7.3 The reports shall include all money generated in the name of or under the auspices of the school regardless of its source or use.

7.4 Principals will review the annual reports for accuracy and completeness and will sign the report as evidence of their approval of the same.

8.0 Change in School Principal and Administrative Staff

8.1 The appropriate documentation will be completed the exiting School Principal, using Appendix B *Change in Principal and Administrative Staff*. A copy of the completed document should be shared with the incoming Principal and reviewed accordingly.

8.2 The completed Appendix B *Change in Principal and Administrative Staff* will be sent to the Superintendent of Business.

- 8.3 The Principal will arrange for the signing authorities to be updated with the appropriate financial institution.
- 8.4 The exiting and incoming Principals should meet to arrange for the exchange of safe combinations and/or passcodes whenever there is a change in principals and/or administrative staff. In addition, any keys required to access a safe or vault must be returned to the school upon transfer or retirement of that employee.
- 8.5 The *Annual Plan for School Generated Funds* should be shared with the incoming Principal to ensure that they are aware of all commitments and upcoming fundraising activities with the school.
- 8.6 New Principals and/or administrative staff are responsible for ensuring they receive any required training in their roles as related to financial responsibilities.

9.0 Fundraising

- 9.1 All fundraising activities shall be under the supervision of the Principal.
- 9.2 The Principal must grant permission to any school club, Catholic school council, or fundraising organization to engage in any fundraising activity. All related activities must be conducted in accordance with the applicable policies, procedures, and guidelines.
- 9.3 Adjustments to the *Annual Plan for School Generated Funds* must be updated accordingly and revised versions sent to the appropriate supervisory officer and communicated to stakeholders as required.
- 9.4 All fundraising activities are voluntary in nature, and no student will be penalized or be denied any benefits, if they choose not to participate.
- 9.5 If an event or activity that funds have been raised for is cancelled, or if a student raises funds and is unable to participate, funds raised become the property of the school. No refunds of any kind shall be issued.
- 9.6 Privacy must be respected. The personal information of staff, students, or other individuals is not shared for the purposes of fundraising without prior consent.
- 9.7 The safety of students must be a primary consideration in all fundraising activities.
- 9.8 Student fundraising activities require supervision and should be age-appropriate.
- 9.9 The following best practices should be considered by the Principals when planning for, or implementing fundraising activities:
- i) Set a limit on the number of and extent of fundraising activities each school year;
 - ii) Limit the impact on classroom time for staff and students and administrative time required to properly deliver fundraising activities;

- iii) Should be in support of student achievement and do not detract from the learning environment;
- iv) Support and protect staff and volunteers from legal liability through practices that promote accountability for the handling and management of the proceeds raised from these activities;
- v) Ensure that fundraising activities are developed and organized with assistance from the school community, including students, staff, parents, and community partners;
- vi) Minimize administrative expenses associated with conducting fundraising activities.

9.10 When schools are planning and selecting capital projects which will be supported by fundraising activities the following best practices should be considered:

- i) Requiring a viability review that examines alignment with the Board's overall capital priorities and planning processes, the school improvement plan, and Ministry priorities;
- ii) Analyzing costs for future maintenance and repairs;
- iii) Restrictions related to conflict of interest and procurement policies.

9.11 The Principal must consult with the Superintendent of Business and/or the appropriate manager on capital projects and/or information communication technology acquisitions which will be supported by fundraising activities at the school.

9.12 Fundraising proceeds must be used in accordance with the *Annual Plan for School Generated Funds* and should be exhausted each year, unless there is a multi-year plan in place for a specified use.

10.0 Records Retention

10.1 All reports shall be filed with the official records of the school generated funds for a period of not less than seven years.

10.2 All original documents, including paid invoices, cancelled cheques, bank statements, support for deposits and bank reconciliations shall be retained for seven years. It is recommended that the records of each year be boxed, labeled and stored in the school.

10.3 All school generated funds are subject to audit at any time by the Finance Department of the Board's auditors.

11.0 Online Payments

11.1 The Principal and/or appropriate administrative staff member is responsible to ensure all charges are set up in the Online Payment Software and available for payment online. This must be done prior to any communication to families and/or students.

11.2 Families and/or students are encouraged to pay all charges online.

- 11.3 All documentation requesting payment must include the standard statement: The school encourages online payment for all fees and activities for students.
- 11.4 The availability of online payments includes but is not limited to:
- i) School generated funds;
 - ii) Catholic School Councils;
 - iii) Home and School Associations (where Board staff would normally be expected to handle the collection of funds);
 - iv) Certain third-party vendors where arrangements have been made through Business Services (photography, spirit wear, tour companies, etc).
- 11.5 For all fees posted for online payment, the appropriate administrative staff member will ensure any amounts paid in excess of \$5 per student by alternative payment methods are assigned to the appropriate student in the accounting system. This will allow the school to run a payment report by student which includes all payment methods.
- 11.6 The Board's approved Online Payment Software will be used for accepting all online payments. Schools may not receive funds through accounts setup either directly by the school or indirectly through individual staff, where the payments have been processed by a non-Board approved payment processor or online website.
- 11.7 The Principal has the discretion to exempt fees from being posted online when:
- i) One-time, non-recurring activities or events (held only once during the school year);
 - ii) The total amount collected from a student is under \$5.
- 11.8 All fees \$5 and above must be available for payment online. Similarly, recurring events where the amounts collected are small, must be available for payment online.
- 11.9 For families and/or students who are unable to use online payment software or such use of online payment software would result in undue hardship, alternative methods of payment will be accepted. Alternative methods of payment must be received directly through the school office. The school reserves the right to return alternative methods of payment not paid directly through the school office, which may result in the transaction for the goods, services, or other activities not being processed by the required timeline.
